RE: Restoration of Video Enhancement Analysis Services in the Digital and Multimedia Evidence Section

Effective immediately, the Department of Forensic Science has restored its video enhancement analysis capabilities and is accepting evidence for this analysis.

The Digital and Multimedia Evidence Section has and will continue to maintain the ability to perform Computer Analysis, including mobile device analysis capabilities, such as smart phones, tablets, etc.

For questions regarding the Department's Digital and Multimedia Evidence testing capabilities, please contact Jesse Lindmar, Digital and Multimedia Evidence Section Supervisor, at 804-588-4128 or Jeff Ban, Central Laboratory Director, at 804-786-6800.

Information about the Digital and Multimedia Evidence Section is also located on the Department's website at <http://www.dfs.virginia.gov> under the Forensic Services and Frequently Asked Questions tabs.
