

# Compound Evaluation Worksheet

FS Lab # \_\_\_\_\_ Initials \_\_\_\_\_ Date \_\_\_\_\_

Evaluate compound for structural similarity, optical/position/geometric isomer § 54.1-3446(3), and structural class § 54.1-3446(6)(a) before submitting for review.

	Item #	Schedule I or II Compound
Chemical Name		
Chemical Structure	COPYRIGHT © 2019 VIRGINIA DEPARTMENT OF FORENSIC SCIENCE	

## Structural Similarities

--

## Structural Differences

--

## Conclusion

Are the two compounds substantially similar with respect to chemical structure?	Yes _____	No _____
Optical, position, or geometric isomer of a compound listed in § 54.1-3446(3)?	Yes _____	No _____
Does compound fall in a "Structural Class" as defined in § 54.1-3446(6)(a)?	Yes _____	No _____
